# Outdoor trading noise diary

Observe from a position you may use. Enter outdoor opening and closing activity, the sound you heard and any action staff took. Describe what could be heard from your position.

**Observation point or case reference**

**Time zone used**

**Observation position and relevant operating hours**

| Day and date | Local time(s) | Activity or sound heard | Other sound and action |
|---|---|---|---|
| **Day 1** | | | |
| **Day 2** | | | |
| **Day 3** | | | |
| **Day 4** | | | |
| **Day 5** | | | |
| **Day 6** | | | |
| **Day 7** | | | |

Describe the sounds at your observation point. Omit names, conversations and guesses about where the sounds came from.

If you did not check, write 'no observation'. Use an extra copy for additional events on the same day.
